

CYBER INSURANCE REIMAGINED

Introducing the most innovative and comprehensive coverage available.

We found existing cyber insurance policies lacking, so we created our own. Full limits, enhanced business interruption cover, protection from physical cyber attacks, computer replacement coverage (an industry first—only available through Coalition), and more.

3rd Party Liability Coverages

	Network & Information Security Liability Regulatory Defense & Penalties Multimedia Content Liability PCI Fines & Assessments	We cover the expenses to defend you and any damages resulting from your liability to a 3rd party, or for regulatory fines & penalties, multimedia wrongful acts (such as infringement, defamation, piracy, etc.), and PCI fines & assessments resulting from a failure in your security, data breach, or privacy violation.
☆	Bodily Injury & Property Damage Technology Errors & Omissions	We pay for the costs of defense and damages from your liability to a 3rd party when a failure in your security results in physical damage or injury.

1st Party Loss Coverages

	Bodily Injury & Property Damage Pollution	In the event of a security failure (i.e., physical cyber attack), we'll even cover losses resulting from bodily injury or damage/impairment to your tangible property, as well as damages resulting from any liability you may have to a 3rd party, including regulatory fines & penalties and pollution.
<u> </u>	Computer Replacement	We cover the costs to replace your computer systems that are permanently impacted by malware.
3	Fund Transfer Fraud	We pay for funds transfer losses you incur from a failure in your security or social engineering.
\$	Service Fraud	We pay for the additional amounts you're billed by a cloud or telephone provider when you incur fraudulent charges.
6	Digital Asset Restoration	We pay for the costs to replace, restore, or recreate your digital assets that are damaged or lost following a failure of your security.
	Business Interruption & Extra Expenses	We cover financial losses resulting from a failure in your security, data breach, and even systems failure (including contingent/dependent BI), as well as the extra expenses you incur to bring your company back online.
Ť	Cyber Extortion	We cover the costs to respond to an extortion incident, including money, securities, and even virtual currencies paid.
<u></u>	Breach Response Crisis Management & Public Relations	We pay for the costs to respond to a breach including 3rd party incident response and public relations experts, customer notification costs and credit monitoring, media purchases, and legal fees; and advise in connection with the incident, among others.
